Keep an eye on your email when you submit your application for updates!

1. <u>Who's eligible</u>: Every College student in the first two years of college is eligible for a computer, our program is NOT income based. Every student that applies receives a computer.

2. <u>Fill out an application</u>.

3. Processing fees: <u>Full or 1/2 payment is due</u> when you send in the application. If you are unable to pay in full at that time, **you can pay the remaining balance when you pick up the computer** (See #7). We cannot accept checks on the distribution date.

4. Processing time: Allow <u>1 to 3 weeks for processing</u> and preparation of your computer. Please include the application, the essay, and your check, or card numbers, when you apply. **REMEMBER your Student ID.**

5. Application is processed: <u>you will receive a letter in the mail</u> or Email stating a date, time when you can pick up the computer. Because we have so many wonderful volunteers and sponsors that help us with the program, we ask that each student brings a thank you letter when you come. You will need to be there to sign off on paperwork

6. Payment: If you did not send a check for the entire amount due with your application, you will need to pay cash, money order or credit card, for the remaining balance when you pick up your computer. You can call us to make payment, or we can send you an invoice through your email (sometimes it ends up in junk mail).

7. **Applying yearly**: Students can re-apply and receive a computer yearly. CFK program is structured that a student may receive a computer from kindergarten up to the second year of college. If they chose to reapply every year your child could receive 14 computer systems through our program. Our goal is to keep students up to date with technology.

8. **Tech support:** <u>All computers come with one full year of tech support (free)</u>. In the event that a computer must be shipped to us for technical support, you are responsible for any shipping and/or handling costs.
